portfolio: jakubwyszowaty.com

A recent graduate from Northcoders Software Engineering Bootcamp, now seeking a role as a Junior within the industry. With a keen interest in problem-solving and creativity to find solutions, I aim to secure a position where I can further develop my coding skills and contribute to innovative projects.

Technical Skills

Language(s): JavaScript (Node.js and browsers), currently exploring TypeScript
Front-end: HTML, CSS, React, React Native
Back-end: PSQL, Express.js, seeding
Testing: TDD, Jest, Supertest
Hosting: ElephantSQL, Render, Netlify
Methodologies: Agile and SCRUM

Experience

Trainee Software Engineer **Northcoders** **Aug 2023 - Present**

Final project video: northcoders.com/project-phase/elder-helper
Final project back-end repo: github.com/jwiszowaty/ElderHelper-backend
Final project front-end repo: github.com/jwiszowaty/ElderHelper-frontend
Backend News App repo: github.com/jwiszowaty/be-jw-news
Website News App: luminous-sunshine-fe3228.netlify.app

- The boot camp involved high-intensity learning where I learned about the industry's best practices
- Practised collaboration in paired programming throughout the boot camp and significantly improved interpersonal skills

English Tutor **Online** **Oct 2019 - Present**

- Prepared over 600 hours of online lessons for Polish high school students
- Improved my students' pronunciation
- Helped them overcome a fear of speaking in a foreign language

Research Assistant **NewChem Technologies** **Jun 2022 - Jun 2023**

- Organic synthesis of substituted amphetamines and analogues of cannabidiols
- Reversed and normal phase purification of organic compounds using Biotage
- Analytical methods used: NMR, LC-MS, HPLC

Research Project **BiBerChem Research** **Aug - Sept 2021**

- Supervision: Prof. Bernard T Golding
- Organic synthesis of analogues of barbituric acid
- Purification using manual column chromatography and recrystallisation
- Analytical methods used: LC-MS, HPLC, NMR (^1H , ^{13}C , ^{19}F)

Summer Intern **NewChem Technologies** **Aug - Sept 2020**

- Organic synthesis of analogues of cannabidiols

Jul 2017 - Aug 2021

- ## Education

Oct 2018 - June 2022

Volunteer Work

RVI Newcastle Hospitals NHS Foundation Trust:

Oct - Dec 2021

- Feb 2022

- Oct - Dec 2022**

- 4-hour night shift on Saturdays
- While in the A&E department, I conversed with patients and comforted them with available food and beverages. I also helped communicate between the nurses/doctors and patients and notified the personnel about anything that needed attention.
